Finished Block = 10"
Unfinished Block for Baby Quilt = 10 1/2"

Blocks Made from Custom Embroidered "Goldilocks and the Three Bears" designed by [Crooked Brook®](#)

Finished Apron

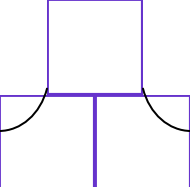

Fabric Requirements for Apron	
Embroidered Blocks	Cut THREE (3) 10 1/2" blocks
Neck strap	Cut ONE (1) 2 1/2" x 15" strip
Waist straps	Cut TWO (2) 2 1/2" x 20" strips
Pocket	Cut ONE (1) 5" square
Backing Fabric	Use the completed front of the apron as a template to cut the back apron fabric.

- 1 Sew the two bottom blocks together and press the seam open. Press the upper block in half so you have a guide to center the block above the seam you just created and center the upper block over the two sewn lower blocks and stitch in place, pressing the seam open.

- 2 Create the neck strap by folding the strip toward the center on both horizontal sides and running a top-stitch across the opening. Repeat this same process for the TWO (2) waist straps.

- 3  With the front of the apron, find the upper and lower parts at the seam, as shown. Repeat on both sides.

- 4 Insert ONE INCH of the neck strap in the top of the apron, sandwiched with the fabric. Repeat the same procedure with the two side straps. Sew the backing to the front of the apron, right sides together, making sure your straps are INSIDE of the two fabrics. Leave the bottom of the apron unsewn. Turn the apron right-side out and press a 3/8" seam at the bottom of the apron. Please reinforce seams where the straps are placed with some extra backstitching.

5

Top stitch the apron all the way around the perimeter, about 1/8" from the edges.

6

To create your pocket, fold all sides of the 5" square in with 1/2" seam allowance and top-stitch all the way around it.

7

OPTIONAL: You may use some decorative embroidery stitches at the seams to add color and strength to your seams.

6

Finally, pin your pocket to the center of the lower portion of the apron and sew it to the apron on the left, right and bottom.

One VERY happy little girl wearing her brand new apron!
